

Captains Log, June 23rd, 2019

By the time many of you read this newsletter, City Championship tournament season will be done. It was our biggest year yet with [Team Captain Championship](#) qualifiers, [Jack n Jill Championship](#) qualifiers, [Masters Championship](#) qualifiers, [Junior Championships](#) qualifiers, [Ladies 8 Ball Championship](#) qualifiers, 8 Ball and 9 Ball [City Championships](#) and there were also some Junior Fundraisers, the [Scotch Doubles Championships](#) and 8 and 9 Ball Singles [Poolplayer Championships](#) in Las Vegas in May. June 22nd is the Junior Championship warm ups with Juniors from neighboring league areas competing in a tournament with our San Diego Juniors as some of them prepare to play in the Junior Championships in St. Louis at the end of this week.

I'm now in St. Louis helping APA get ready for the [World Pool Championships](#). Jill and I can't wait to see our Juniors compete in the [Junior Championships](#) later this week. For those who would like to follow along on the progress of our Juniors, please download the [Compusport app](#) on your phone, search for the APA Junior Championships, and then you can search for all of our San Diego players by doing a search by League Operators, and then just type in Brian or Jill Frankland. Then you can click on each individual player listed under our San Diego APA league and click to receive notifications. It will tell you each time they are scheduled to play, what table they are playing on, who their opponent is and whether they won or lost. There are also tournament brackets. Joseph Hankins (skill level 8) is defending his 2018 Championship victory in the skill level 6-9 bracket. Joseph is an 8 at just 15 years of age. We wish all of our Juniors the best of luck this week. Genevieve Ahlers, Damian Rockafellor, Justyn Martin, Laird Hubbard, Jake Barreiro and Joseph Hankins are the Juniors from San Diego. You can also search Compusport individually for following their progress. There are close to 400 kids competing in the Junior Championships this year.

Masters just started back up. There is currently room for more teams. Masters is a non-handicapped format where you play a combination of 8 Ball and 9 Ball in races to 7. We play a couple of Saturdays a month. Teams consist of 3-5 players and 3 play in a match. [Contact the league office](#) if you are interested in finding out more about this fun and competitive format.

The league office is going to be a skeleton crew over the next few weeks as Jill and I will be in St. Louis for the APA Junior Championships and Lindsay will only be there on Mondays, Wednesdays, Thursdays and Fridays. You will be able to reach us easiest by [email](#).

Please do not email league questions to sdapa_office@cox.net. That email address only gets opened to download score sheets once a day and only on the days listed above.

Congratulations to "Hurricanes" (Paul Langley, John Pasquarella, Shawn Murphy and Dave Pino) and "Sweet Beard of Zeus" (Kelly Darmody, Tim Darmody, Ashton Schaffer and Matthew Schaffer) for qualifying for the Masters Championships in Las Vegas this August.

Congratulations also to "Seeing Double" (Heather Hindorff and Chris Seawood) for qualifying for the Jack n Jill Doubles Championship. They won the qualifier last weekend and will be representing San Diego at the World Pool Championship Jack n Jill Doubles event.

We have added two more Captains Championship slots, also. "Captains Morgan's" and "We Showed Up" were our 2nd place finishers in the two Captains Championship qualifiers we ran back in April and now they will be competing in that event in Las Vegas in August. Captains Morgan's is Don Silver, Britt Quintal, Michael Voiles, Ces Ralston and Dean Martin and We Showed Up is Amy Ward, Holly Knepp, Mona Manu, Sean Ahlers and Jarred St. John.

You can still add players to your roster at this time. They just need to [pay membership fees](#) before they play.

If you need quick access to the [APA team manual](#), all you need to do is point the camera on your phone at the bar code on the score sheet and it will bring up a link to the APA team manual. From there you can look up rules
