This is a New Newsletter Format! No More Captain's Logs

We mostly wanted to change the name of the newsletter since Liza was unfamiliar with the "Captain's Log" term from Star Trek and thought these publications were only for captains... well, they're not! They are for all players to read and keep updated with any league news that may or may not be shared through email, social media or as scoresheet attachments. The frequency of these newsletters may vary based on upcoming events or other timely announcements, and will mainly be digitally formatted for email distribution.

Condolences to our APA Family Members

Our condolences go out to Chuck Horton and family. Chuck's father, Charles Horton, Sr. (a.k.a. "Pops") passed away on February 13th. Pops started playing in the San Diego APA in 2010 out of Gilly's Bar and Paradise Lounge & Grill where many players in the central area knew and loved him. May you Rest In Peace, Pops
Also sending condolence to Joan McGuire's family and friends. Joan passed on March 27th. She joined the SDAPA in 2013 and played every session since then, most recently with 9-Ball team "You Rackem We'll Crackem" on Sundays. RIP <3

League Operator Message

Hello and Happy April, Players!

For Sunday divisions, this is the last week of the Spring Session because next Sunday is Easter (no league play). All other standard weekly divisions have two more weeks of regular session play. Then, two weeks of Playoffs, where every team gets a chance to compete for prizes and a chance to play in the Spring BLAST (May 21-22).

Even if your team didn't finish at the top of division standings, every team still has a chance to make playoffs and be eligible for the wild card draw, as long as all league fees are paid and the team has no more than 5 individual forfeits in the session.

Refer to the [San Diego APA Bylaws](#) for all details regarding the playoffs. Refer to these website page links for [BLAST](#) and [City Championships](#) info, including minimum match requirements for player eligibility.

MVPs from 3 skill level tiers in each division will be calculated after the end of the regular Spring session. Results will be published on the [MVP page](#) of our [website](#) and announced on the [APA League app](#). **Patches earned** for the 2022 Spring session can be picked up at the Blast or City Championships. Anyone on the team can pick up patches for the entire team. We will also have MVP trophies, Perfect Session trophies and the two previous session MVP trophies. Please come and pick up your teammates' MVP trophies. They also receive an MVP patch and \$30 in Singles Board vouchers with their trophy.

Register your team for the 2022 Summer Session! On your scoresheets, please mark whether or not your team is playing next session. This is the start of the new league year so you'll have the most chances to advance to the 2023 APA World Pool Championships in Vegas!

Lastly, we are happy to announce that Scot will be coming on board full-time with the San Diego APA, but with that, it also means we are sad to announce that Lindsay will be leaving the League Office at the end of the month, as we need to sustain a business model that will support our family. Lindsay has been instrumental these last six months with our transition to San Diego, ensuring seamless operations and timely customer service that you've come to expect from SDAPA. We will all miss her, but she wants you to know, "it was a pleasure getting to know everyone over the years and I'll see you on the tables!" ~Lindsay

Shoot Straight and Thanks for Playing!
