## Electronic Scoring with the APA Scorekeeper App

For the 2022 Summer Session, we will be selecting one 8-ball division and one 9-ball division to test the APA Scorekeeper App. We are currently working on a process that will ensure all teams in these divisions will use the app and provide feedback (home team), and will also parallel score on paper (away team), so that we can have enough information to extend it to other divisions in future sessions. We know many of you are eager to try it so we thank you for your patience!

## League Operator Message

Happy Mother's Day and welcome to the new Summer Session!

This is also the start of a brand new league year, where teams will have three sessions (Summer 22, Fall 22 and Spring 23) to qualify for the SDAPA City Championships.

**Still looking for teammates?** Visit the [San Diego APA Team Building Page](#) to round out your rosters or find a team!

**League Play:** Each week of play, teams can earn **bonus points** (2 points for 8-Ball and 10 points for 9-Ball) by submitting score sheets and fees in a timely manner. Legible score sheets and payments must be submitted no later than 10:00 am two business days following league play. Please revisit [Score Sheet and Payment procedures](#) on our website for any updated information. Bonus points could make the difference in your team making the playoffs or not, so every player should make it their responsibility to ensure captains (or other responsible teammates) are submitting everything by the published due dates. We cannot rely on just your opponent's score sheet, so we must have both team's sheets submitted to process data accurately.

**2022 Spring Session Results:** *Division and Playoff Winners, MVP Winners and Perfect Session Winners* will be announced in the News section on the APA League App, or you can visit <https://league.poolplayers.com/sandiego/news>. Checks will be mailed to all Division and Playoff Winner captains starting next week, so please make sure your address is correct in the system or contact the league office if checks should be mailed to someone or somewhere else.

Trophies, plaques and patches for all team and individual winners will be available to pick up at the Spring Session Blast on May 21-22, 2022. Anyone on the team can pick up patches for the entire team. MVPs also receive an MVP patch and \$30 in Singles Board vouchers with their trophy.

## Virtual Players Meeting on Facebook Live!

We had a bit of a delay in the league office last week after attending the League Operator convention, and still plan on having an online meeting to discuss some SDAPA Local Bylaw updates and other plans for the future. We will open up the chat so players can ask questions, so stay tuned!

*Shoot Straight and Thanks for Playing!*
